

PLAN

Sequence

- Prophet ﷺ — leadership & identity formation (psychology of mission)
- Rashidun — governance & moral authority (institutionalization)
- The Umayyads — power, culture, and identity shifts
- The Abbasids — knowledge, pluralism & identity growth
- The Age of Frontiers — Seljuks, Crusades (perception & psychology of conflict)
- Saladin & the political psychology of resistance
- Mongols & institutional resilience (collapse & rebuild)
- Mamluks & the politics of legitimacy
- Ottoman rise — identity, institutions, and empire psychology
- Ottoman governance & plural societies (how identity worked in practice)
- The 19th century — reform, encounter with Europe (psychology of response)
- Fall of the Ottomans (1914–1920) — end-of-empire lessons & modern identity root
- Maybe in the end we can read how islam spread across the globe and clash of civilizations (optional)
