

Populism

Populism

- According to Ernesto Laclau populism is not an ideology rather it's a strategy to mobilize the masses, it can align with left, right, center any spectrum.

Constructs of Populism:

- Binzarization: creating a dichotomy of good and evil among the classes for their political gain. US vs THEM Jose Mourinho idea.
- I AM THE PEOPLE, the promotion of sheep and shepherd mentality among the Populus.
- De humanization
- Sainthood
- Oversimplification of problems.
